

# Spread the cost of your motoring with the

Companies have spread their servicing costs for years through Leasing and Contract Hire agreements and now Drive offer you a unique Savings Plan so you can budget your servicing and MOT costs too!

## It's as easy as 1,2,3.

1. Choose the term you wish to cover (1 to 3 years)
2. Estimate your annual mileage
3. Choose whether to exclude any MOT tests

We then estimate your servicing/MOT costs for the periods and mileage you have given and you simply pay by a secure monthly direct debit.  
It couldn't be easier!

## What happens if the price of my service is higher than I have saved?

You simply pay the difference between your service bill and the amount on your savings account.

## What happens if I change my car?

Any balance on your plan can be transferred to a new plan or refunded (without charges after a first service has been made on the plan)

## What happens if I terminate the Agreement?

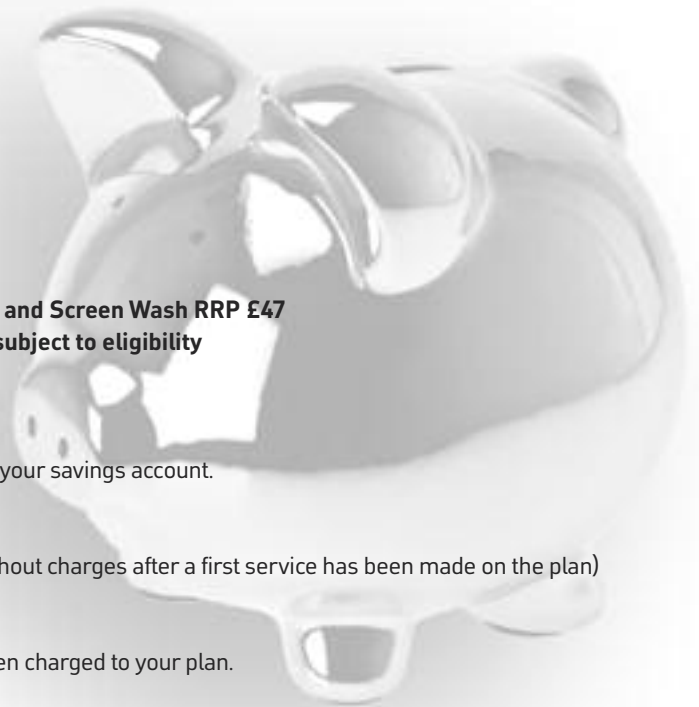

Any balance is refunded to you, without charge as a service has already been charged to your plan.

## Are there any additional charges to pay?

We charge a £25 cancellation charge if you cancel the agreement before the first service, otherwise there are no fees.

## Where is my money held?

Your money will be held in a separate client account. Interest arising on this account will be used by Drive to offset part of the administration costs of the scheme.
